

Habitat for Humanity®

of Pinellas & West Pasco Counties

2021 REPORT

INCLUDING 2019-2020 FINANCIALS

letter from the board chair and ceo

Mike Sutton
President & CEO

Our 2019 - 2020 fiscal year marked the 35th anniversary of Habitat for Humanity of Pinellas and West Pasco Counties. Thanks to your support, hundreds of homeowner partners have had the opportunity to improve their housing situations through a zero-percent interest mortgage, providing a safe and affordable place to live for years to come.

In 2020, the importance of home was made clear for families all around the world due to the COVID-19 pandemic. While navigating the pandemic, our affiliate continued to make homeownership dreams a reality for local homeowner partners; ensuring their families had a safe place to call “home”. Through the commitment of our Habitat homeowner partners, board of directors, volunteers, donors and staff, our affiliate was able to make a deep impact in Pinellas and West Pasco Counties:

Alfredo Anthony
Board Chair

- 90 families served in fiscal year 2019 – 2020 (July 2019 – June 2020), including 54 new homes built.
- More than 41,000 volunteer hours supported home construction and our ReStores. Unfortunately due to the pandemic, volunteer opportunities were suspended in March of 2020.
- For the third consecutive year, Habitat Pinellas and West Pasco was ranked as the second largest affiliate based on new home construction, out of 1,049 affiliates, within the Habitat network.
- Affiliate leadership raised minimum pay to \$15 an hour for all employees.
- Habitat Pinellas and West Pasco was recognized regionally as a One Tampa Bay Honoree by the Tampa Bay Business Journal. We were recognized as a Tampa Bay Business Journal Business of Pride ally company honoree, which honors companies that have programs to ensure LGBTQ+ equality in the workplace. We also received the Community Service Award from the Suncoast Building Officials Association of Florida.
- Habitat Pinellas and West Pasco once again received the 4-Star Charity Navigator rating and GuideStar Platinum Seal of Transparency, which is the highest level of transparency for nonprofits.
- 95 cents of every dollar donated to Habitat Pinellas and West Pasco goes directly to building affordable homes for moderate-income families in our community!

We are proud of our families for their dedication to improve not only their lives, but also the lives of their children. We thank you for continuing to support Habitat through your generous donation of time, talent and treasure.

This year more than ever, your contributions and volunteerism help Habitat make life-changing differences for struggling families and, in the process, positively impact our neighborhoods.

A stable place to call home is essential to protecting your family and your community from Coronavirus. That's why our affiliate has continued our work to ensure individuals and families have a stable place to call home during this health crisis. We are working hard to make affordable homeownership a reality because we believe that everyone deserves a decent place to live.

Habitat served 90 families in the fiscal year of 2019 - 2020. Hard work and generosity made it possible for these homeowners to have something that most of us take for granted – peace of mind and a stable place for their children to thrive.

A hand up, not a handout. Habitat homeowners work hard; they don't ask for handouts. At the end of the homeowner's journey, they have put in at least 350 hours of "sweat equity," made a modest down payment and received a zero-interest mortgage. Our homeowners are physically and financially invested in their homes and set on the right path toward responsible homeownership. The homeowner classes they are required to complete as part of their covenant with Habitat provide them with the tools to be successful homeowners and contributing citizens in their local communities.

People are often surprised by how much we can do with their donations. With as little as \$30, we can put up a wall in a Habitat home, buy several bags of concrete or a bundle of shingles. That is impressive, seeing as \$30 isn't enough to fill up a gas tank these days.

Even the smallest donations can make a big difference, and our supporters know their money is going to a good cause.

For the third consecutive year, Habitat Pinellas and West Pasco received a 4 Star rating from Charity Navigator and the GuideStar Platinum Seal of Transparency. The Platinum Seal is the highest level of transparency, which means you can trust we are being responsible with your donations. Of every dollar donated, 95 cents goes to our homeownership program.

Habitat's homeownership program benefits our community:

- **Revitalizes neighborhoods**
- **Increases the tax base**
- **Encourages volunteerism**
- **Removes substandard housing**
- **Provides employment for subcontractors**

Habitat depends upon the support of corporations, churches, businesses, civic groups and individuals to carry out our mission.

habitat homeowner bio

“I will be the first of my family to be a homeowner. My mother has never owned a home, so not only is this a first in our family, but a huge stepping stone in life for me.” - Leighann Watson

Leighann, a Senior Supervisor for Capital One, is a family-oriented mother with four children, Leilani, Jerriana, Khavie, and Imia “My children are my world, and they are the reason I strive so hard to make sure they are taken care of. I was poor growing up, and I watched my mother struggle. I promised myself I would provide a life for them that I did not have.”

Prior to Habitat, the family lived in an overcrowded home where they were burdened with cracks in the ceiling that looked as if it was about to cave in. Her daughter is allergic to mold that grew in the home, so she was constantly sick. The neighborhood they were in is unsafe, and they dealt with multiple home invasions on the street they lived on. “I just didn’t feel safe or comfortable.”

Leighann was ecstatic to find out she was going to be a homeowner, and said her first thought was “My children will forever have a home to go to.” She is excited for family gatherings and dinners, and says that her home means everything to her. “I still look at my welcome email at least once a week!”

“Having a home means everything to me, but having a Habitat home means so much more. This opportunity will change our lives forever. Being a homeowner will forever put me at ease, and give me the peace of mind that I need. I look forward to getting up early in the morning, sitting outside on the front porch with a cup of tea, and listening to the birds chirp as the sun rises.”
